

Thank you for your interest in becoming a sponsor of the Air Care Alliance's AIR CARE Conference! This annual conference provides educational sessions and workshops, compelling panel discussions, and engaging networking opportunities for key players in the public benefit aviation industry.

As a sponsor, you'll have the opportunity to connect with public benefit flying representatives from around the country and showcase your brand to volunteer pilots and supporters nationwide.

Conference attendees represent a variety of important industry players from flight coordinators and program staff to pilots and top leadership.

All sponsorship opportunities feature your company's support and commitment to maximizing charitable aviation through the organizations and pilots flying to help the needs of humanity.

Questions?

If you have any questions or would like to start the process of securing a sponsorship, please contact Kristinia Luke at k.luke@aircarealliance.org.
