COMMON FLIGHT BOARD A COLLABORATIVE SOLUTION

A central place for pilots to view and select flight opportunities from multiple organizations aims to enhance the ability of VPOs to serve more individuals in need.

With a goal of making it easier for pilots to find flights and for organizations to fill them, ACA is excited to get this new collaborative project underway.

STRONGER TOGETHER

LifeLine Pilots shares the secret to its 230% growth over the last four years...collaboration!

"Collaboration is one of LifeLine Pilots' six core values," says Lindsey Kerr, Executive Director of LifeLine Pilots. "We know that we are strongest when working together towards the common goal of helping people in need of long-distance transportation."

During recent years, LifeLine Pilots has demonstrated that value in action by expanding their partnerships with other volunteer pilot organizations (VPOs).

THANK YOU TO OUR SUPPORTERS!

ST. PETER FAMILY - In memory of Gary Robert St. Peter

Gary was inspired by the work of the Air Care Alliance and all of the groups represented. May all continue to diligently work to help others with public benefit flying.

International
Fellowship of
Flying Rotarians

Every dollar we raise directly supports ACA's mission of promoting, supporting, and representing public benefit flying and increases our capacity to serve.
