ACA WELCOMES TWO NEW DIRECTORS

WELCOME
New Board Members

The Air Care Alliance is pleased to announce the election of two new Members to its Board of Directors: Mark Rogers and JJ Suarez.

"Our Board of Directors is composed of a dedicated team of leaders committed to fostering and enhancing charitable aviation," said Jim Hessemann, President of Air Care Alliance. "We are excited to leverage Mark and JJ's diverse experience and enthusiasm for public benefit flying to further our mission."

LEGISLATIVE UPDATE: Fuel Reimbursement

With the support of the Aircraft Owners and Pilots Association and many Volunteer Pilot Organizations and aviation industry groups, ACA has been working for a legislative solution to the Federal Aviation Administration's restrictive policies that deny most volunteer pilots the possibility to receive fuel reimbursement for their charitable flights.

Here's where things stand.

MEMBER SURVEY - Non-Flying Volunteer Opportunities

Carley Walker, ACA Board Member and Director of Development at STEM Flights, will be presenting Public Benefit Flying content to attendees at the [AOPA High School STEM Symposium](#) in November. The presentation will provide general information about Public Benefit Flying and how teachers and students can get involved. Carley will cover groups that have non-flying volunteer opportunities, internships, or other ways that students and teachers can get involved.

ACA MEMBERS: Please complete this form to let us know how non-flying volunteers can help your VPO. If you do NOT have opportunities for non-flying volunteers, please indicate that as well.

IN MEMORIAM

The Air Care Alliance is deeply saddened by the tragic loss of Richard McSpadden, AOPA Senior Vice President.

Richard was a long-time supporter of public benefit flying and has made many contributions to safety initiatives within the charitable aviation community. His legacy and focus on aviation safety should never be forgotten by the Air Care Alliance, our member organizations and the thousands of volunteer pilots who are passionate about charitable aviation.

We extend our deepest sympathies to those who knew and loved Richard.
