## THREE CHEERS FOR VOLUNTEERS!

It's National Volunteer Week and we want to say THANK YOU!

Over 4 million miles were flown by volunteer pilots last year alone! □ That's like flying to the moon and back over eight times!!

Together, you have helped thousands of people access medical care; rescued countless animals; provided hope and relief in times of crisis; bolstered conservation efforts; inspired the next generation of aviators; and so much more! ACA is proud to promote, support, and represent those who fly to help others.

This week--and every week--we celebrate all your efforts and invaluable contributions!

## AIR CARE CONFERENCE RECAP

Another fantastic AIR CARE conference wrapped up in Sunny Fort Lauderdale! □ From a harbor cruise to insightful sessions and an inspiring keynote speaker, it was an

unforgettable weekend of collaboration and learning for everyone involved in public benefit flying.

## HAVE YOU TAKEN THIS PBF SAFETY COURSE?

Did you know the Air Care Alliance helped create the interactive online course, [Public Benefit Flying: Balancing Safety and Compassion?](#) ACA worked in conjunction with AOPA's Air Safety Institute to develop this course as well as safety recommendations for volunteer pilots.

We encourage all volunteer pilots to take this course. It's a great reminder of safety considerations for volunteer flights, and you can earn FAA WINGS credit!

[Hallmark Actor Aaron O'Connell Flies Rescue Dog to Her Forever Home Through Pet Charity](#)

[Four teens take to the skies with Civil Air Patrol](#)

[Float planes will soon ferry children to Seattle Children's Hospital](#)

THANK YOU TO OUR SUPPORTERS!

***ST. PETER FAMILY - In memory of Gary Robert St. Peter***

Gary was inspired by the work of the Air Care Alliance and all of the groups represented.  
May all continue to diligently work to help others with public benefit flying.

Every dollar we raise directly supports ACA's mission of promoting, supporting, and representing public benefit flying and increases our capacity to serve.
